Dear IDEA members and all who support Drama Education and Arts Education

IDEA has declared November 27 each year as International Drama/Theatre Education Day.

Each year, we call on all drama and arts educators to celebrate, to advocate and to act.

At the meeting of the Elected Officers of IDEA in Rostock, Germany, in November, Sanja Krsmanovic Tasic, President of the General Council, reminded us that 2014 was the 25th Anniversary of the Declaration of the Rights of Children. Peter Duffy, Director of Research, galvanised action to create a short multi-lingual video to spread the word.

I urge all members of IDEA to spread the word and to make links to this short video as they celebrate, advocate and act for drama, theatre and education.
