**International Day of Solidarity with the Palestinian People
Theatre Performance at the United Nations & La MAMA etc**

The *Gaza Mono-Logues* are by 33 young Palestinians in response to the attack on Gaza that occurred in the winter of 2008 - 2009.

This last October, more than 50 cities around the world produced performances of *The Gaza Mono-Logues*.

On November 20, 2010, twenty six young actors representing twenty one countries arrive in New York City to perform *The Gaza Mono-Logues*. Directors Iman Aoun (ASHTAR Theatre, Palestine) and Shauna Kanter (VOICETheatre, NYC) will create with them a performance of these texts in all their different languages.

A public performance is hosted by **La MaMa E.T.C** on Sunday 28th at 8PM in The Club.

Two performances will take place in the United Nations for the **International Day of Solidarity with the Palestinian People**, November 29th at 12:30PM in Conference Hall 2 right after the Special Meeting, and in the evening at 6.30PM in the public lobby around the opening exhibition of UNRWA, *Summer Games in Gaza*.

ASHTAR Theatre thanks dearly all its wonderful partners around the world, the young actors involved and mostly *The Gaza Mono-Logues* authors who could not join us in New York due to the blockade imposed on them.
